COMMITMENT, EXPERIENCE, STABILITY AND STRENGTH

Chariot Eagle was acquired by Cavco Industries, Inc. in 2015. Cavco is publicly traded on the NASDAQ Global Select Market (symbol CVCO). The Cavco companies have been in business for more than 60 years. We have a strong commitment to provide people with quality park model RV’s and cabins for seasonal/vacation living. All backed by exceptional service. Forbes Magazine selected Cavco as one of America’s 100 Best Small Companies. In recognition of its innovation, customer service, and long term stability, Cavco Industries has been awarded the prestigious MHI Manufacturer of the Year Award for six consecutive years.

EXCELLENCE IN INNOVATION, QUALITY AND VALUE

We utilize a systems approach to building in controlled factory environments using only prime materials. Factory building offers shorter completion times, less waste and a better value than on-site construction methods. Our park model RV’s are efficiently distributed by both independent and community retail centers. We customize styles and specifications for the exclusive use of camping and resort properties and provide accommodations for the Outdoor Hospitality Industry.

FINANCIALLY STRONG, MARKETING SAVVY AND BUILT TO LAST

Cavco is a debt free company and maintains one of the strongest balance sheets in the industry. We invest heavily in social media and marketing to inform people about the great lifestyle our products help provide. We will be here to serve consumers and wholesale customers long into the future.
